Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Basic School

DATE: 27 March 1956

FROM : Chief Instructor, Basic Orientation

SUBJECT: Weekly Activities Report - 21 March through 27 March 1956

1. Significant Items

a. Basic Orientation #27 was completed on Friday, 23 March. The nature of this class is, perhaps, indicative of a new trend in the composition of the student body. Approximately 50% of the class had considerable experience in the Agency before taking the course. In the past, most of the students have been relatively new to the Agency.

This isn't quite the case; but it's true that we are now getting more "old hands".

b. Basic Orientation staff members will meet with Mr. [] on Wednesday, 28 March, to discuss the feasibility of making certain revisions in the first phase of the course.

2. Outside Activities

[] spoke at the ^{F.S.I.} Strategic Intelligence School on Monday, 26 March. His Subject was Marxist Ideology. *Comm. Doctrine*

3. Personnel Notes

a. [] returned from 15 days of military leave on Thursday, 22 March.

b. [] began a week of leave on Monday, 26 March.

25X1
